*Tenuta San Guido (Bolgheri)*

Founded by Mario Incisa della Rocchetta in the 1940's, the first in Bolgheri to plant Cabernet Sauvignon, he noticed the amazing similarity of his soils to those in Graves in Bordeaux. From 1945 to 1967 Sassicaia was solely a personal wine for the family, however since its first commercial release in 1968 it has become a global success. The 1985 vintage of Sassicaia for example is regarded as one of the world's greatest wines. We are delighted to offer our collection of Sassicaia for guests to enjoy.

### *Tenuta Luce (Montalcino)*

When Vittorio Frescobaldi, pioneer of one of Italy's most distinguished wine producing families, met with the Californian maestro Robert Mondavi in the early 90's a new chapter in great Tuscan wines was conceived. The idea was to craft a wine in Montalcino that pushed the boundaries of tradition for the region by focussing on Merlot while simultaneously acknowledging and respecting the historic importance of Sangiovese. Luce was born and continues to strive to become one of the most respected wines in Tuscany.

### *Tenuta Dell Ornellaia (Bolgheri)*

Ornellaia was established by Marchese Lodovico Antinori of the Antinori family of Tignanello fame. The property is adjacent to Tenuta San Guido, producer of Sassicaia, which is considered the original "Super Tuscan". Ornellaia has been described as Lodovico Antinori's competitive answer to his cousin Nicolò Incisa's Sassicaia, and his older brother Piero Antinori's Solaia. Now owned by the powerful Frescobaldi family the wines have achieved global fame and the high quality Merlot has become an important factor in Ornellaia's success.
